

Doggy GoGo & Kitty GaGa

By Sandra Lee

An Extraordinary Pet Salon

I was delighted to visit Doggy Go Go and Kitty Ga Ga over the weekend. Wow! This is no ordinary pet grooming salon. The animals were literally breathtaking as they pranced into the waiting arms of their proud owners. This is as good as it gets in this field and I was really surprised at how reasonable the prices were. It was also a great shopping space for unusual gifts and gourmet items for pets. Let me tell you a little about it and about four women there that you should know.

Vivian Lee, the owener is a highly trained, award winning groomer, skilled in hand scissoring and trained by a world famous champion groomer. To Vivian, grooming dogs is an art.

Natalie is the first cat groomer in the state of Ohio who received the Master certification from the National Cat Grooming Institute of America. Monica is an animal rescuer and a well trained groomer. Her compassion enables her to offer extra help to special needs dogs. Sarah is a complete pet stylist and pet care specialist.

They quote on their website that "Dogs are not our whole life, but they make our lives whole – Roger Caras" At Doggy Go Go and Kitty Ga Ga they are getting more than a bath and a hair cut, they are getting all the love, attention and praise they deserve.

Doggy Go Go is getting new merchandise in each & every day for pets & pet

owners.. One of the products include the #1 selling pet product in the U.S right now, The Thundershirt which helps dogs with anxiety or fear of certain things such as thunderstorms or traveling..
